Students will now have weekly word study words to review with an assessment every 1 to 2 weeks depending on their progress with the words. Assessment dates will be on the news letter.

Students will be planning their WIGs (Wildly Important Goals) for Reading and Math. These WIGs are based on their NWEA scores. They will have lead measures (actions / strategies) to do 4 to 5 times a week for homework to guide their progress and growth in areas most needed. Ask your fifth grader about their WIGs and their weekly progress in meeting their lead measures. They will have this in their daily binder.

OCTOBER 31st: Our class has determined the activities we will be doing that day. Thank you for the donations from the students/families who volunteered. We do not need assistance in the classroom; however, you are welcome to come and take pictures from 11:00-11:20 in the room with the parade beginning at 11:30.

NOVEMBER 20th and 21st conferences will be held.
